Professional Summary

Motivated BCA Student With A Strong Passion For Artificial Intelligence, Full Stack Development, And Modern Software Engineering. Experienced In Developing Responsive Web Applications Using React.js, FastAPI, Python, And PostgreSQL During A Professional Internship. Passionate About Learning Emerging Technologies And Building Scalable Applications.

Core Competencies

Full Stack Development, Artificial Intelligence Fundamentals, REST API Development, Responsive UI Design, Database Design, Authentication, Problem Solving, Team Collaboration, Git, Continuous Learning

Technical Skills

Programming: Python, JavaScript, SQL, HTML5, CSS3

Frontend: React.js, Bootstrap, Tailwind CSS, Vite

Backend: FastAPI, REST API, JWT Authentication

Database: PostgreSQL, Supabase

Cloud: Vercel, Render, Firebase

Tools: Git, GitHub, VS Code, Postman, Docker

Professional Experience

Full Stack Developer Intern – The Baap Company

July 2025 – Present

Developed Responsive Web Applications Using React.js. Built REST APIs Using FastAPI. Worked With PostgreSQL. Collaborated With Team Members. Selected In AI Team And Learned Industry Best Practices.

Projects

TaskFlow – SaaS Task Management Platform

Built Using React.js, FastAPI And PostgreSQL With JWT Authentication, REST APIs, Responsive Dashboard And Modern UI.

Personal Portfolio Website

Responsive Portfolio Showcasing Skills, Projects And Experience.

AI Learning Projects

Explored Prompt Engineering, API Integration And AI Fundamentals Using Python.

Education

Bachelor Of Computer Applications (BCA) – University Of Mysore (2025 – Present)

12th – K. V. Naik College, Sinnar – 61.40% (2025)

10th – L. S. B. Waje Vidyalaya, Sinnar – 76.80% (2023)

Certifications

Python Programming, SQL Fundamentals, React.js Fundamentals, FastAPI Basics

Achievements

Selected In AI Team During Internship. Completed Multiple Full Stack Projects.
Continuously Learning Artificial Intelligence And Backend Development.

Soft Skills

Problem Solving, Teamwork, Communication, Leadership, Time Management, Critical Thinking, Quick Learning

Languages

English, Hindi, Marathi

Career Objective

To Build Innovative Software Solutions As A Full Stack And AI Developer While
Continuously Learning And Contributing To Real-World Products.
